

2020-2021 COVID-19 Policy Acknowledge and Release Form

Let's work today to keep H & H Dance Academy and our families safe.

I acknowledge that H & H Dance Academy is required to comply with COVID-19 provisions set forth by the Center for Disease Control (CDC) and the Millbury Board of Health. These provisions are intended to protect our students and their families while lessening the spread of illness during the COVID-19 pandemic. It is imperative that students and parents follow these guidelines in order to assure the safety of all students, staff, and families. We are confident that these guidelines will keep us dancing and growing together!

- Parents must be **on time** and wait in the designated area within the parking lot (social distancing must be maintained) while a staff member manages drop off and pick up. Each class will be assigned a designated parking location (more information will come after class registration). Students will be dismissed for class approximately 5 minutes early to allow for the safe transition of students to their cars.
- Studio schedules will be staggered to allow for cleaning of each dance room between classes. Classroom cleaning will include the washing of floors and sanitation of all hard surfaces. Staff will also be required to wash hands between each class.
- The lobby and waiting room will be closed. Exceptions may be made for Preschoolers who need assistance transitioning into the building, after which parents will be asked to wait in their car.
- There will be no in person class observation until further notice.
- An appropriate social distance must be maintained at all times while on studio property (within the studio, in parking lot, and on sidewalks)
- Masks will be required to be worn at all times in the studio.
- Students will be required to sanitize upon entering and exiting the studio. Additionally, students may be asked to sanitize when necessary in the classroom.
- Students will bring their own water bottles clearly labeled with their name.
- All students are encouraged to use the restrooms at home before coming to class. Restrooms will not be available for changing. All students must arrive dressed and ready for class.
- Students will be permitted to bring a small dance bag into class with them. Dance bags must be labeled with the students name and an emergency contact's information on the

outside of the bag. Please note: cubbies will not be available, so please only pack what is needed.

- Upon returning home, students will thoroughly wash their hands and any belongings brought with them to class. It is expected that all students will sanitize their belongings before returning to the studio.

- By allowing my student to attend each class, I attest that I have screened my child and all of the following statements are true:

- Myself and my student have not been in contact with anyone who has tested positive/ presumptive positive case of COVID-19.
- Myself and my student have not traveled to any area deemed “high risk” in the past 14 days.
- No household member has been asked to quarantine
- Myself and my student are not displaying any of these symptoms: fever (100F or higher)/chills/shaking chills, cough, shortness of breath, fatigue, loss of appetite, sore throat, body aches/headache, loss of smell or taste, nausea/vomiting/diarrhea, or rash/inflammatory condition

- I understand that these policies and procedures, as well as those outlined in the HHDA COVID-19 Handbook, are subject to change based on guidelines provided by the CDC and local board of health. Additionally, the studio directors may use their discretion to make any changes they see necessary for the health and safety of their students and staff.

- I understand that although instructors and staff will go above and beyond to abide by social distancing guidelines, there may be occasions in which student safety concerns require a brief breach of protocol.

- I acknowledge that I am voluntarily enrolling my student(s) in programming offered at H & H Dance Academy. I understand that despite best efforts it is impossible to assure the undoubted safety of my student, myself, or any family representative from any infectious disease.

By signing off on my jackrabbit account I acknowledge that I understand and agree to follow the guidelines listed above.
